Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Tuesday 07 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Wet, windy. Severe gales east this morning, easing this afternoon.

Today:
Heavy rain soon spreading to all parts, with some snow for a time on higher ground in the west. Bright spells and heavy showers following this afternoon. Southeasterly gales, severe along the east coast this morning. Maximum temperature 8 deg C (46 deg F).

Tonight:
Rather cloudy with showers or longer spells of rain, heavy at times. Some drier, clearer conditions developing later tonight, especially in west. Strong north or northeast winds, gales at first. Minimum temperature 4 deg C (39 deg F).

Wednesday:
It will be a drier and brighter day with showers becoming fewer and lighter. Winds easing too although still quite strong from a north or northwesterly direction. Maximum temperature 8 deg C (46 deg F).

Outlook for Thursday to Saturday:
Band of rain crossing all parts during Thursday with sunny spells and scattered showers following on Friday. Another spell of wet and windy weather will cross Northern Ireland during Saturday.
